EXPERIENCE

Web Designer & Digital Operations Assistant, 12/2024 - Current

Mithalia Ltd - Leeds, UK

- Maintained a responsive business website, emphasizing usability and layout design.
- Launched and managed social media presence for the company from scratch.
- Conducted website updates and digital improvements informed by user insights.
- Enhanced guest experience through effective Airbnb property setup and presentation.
- Facilitated customer communication across diverse online platforms.
- Engaged closely with directors in a fast-paced startup environment.

Front-End Developer, 05/2023 - 12/2025

M Star Factory - Seoul, South Korea

- Developed Mezzanine Dermatology website from scratch in collaboration with another developer.
- Developed user-friendly website interfaces using HTML, CSS, and JavaScript for enhanced user experience.
- Implemented responsive web design principles to guarantee optimal viewing across various devices.
- Improved web design and usability through UX testing.

E-Commerce & Consumer Electronics Technician, 02/2021 - 12/2025

Self-employed - Ulsan, South Korea

- Diagnosed, repaired, and refurbished consumer electronics, including smartphones, tablets, TVs, and computers.
- Tested devices to ensure quality, functionality, and performance prior to resale.
- Handled customer inquiries, refunds, and after-sales support through online platforms.
- Managed the inventory of refurbished devices and replacement parts.
- Gained hands-on experience with digital workflows, customer UX, and online payment systems.

Military Security Specialist & Transport Operator, 11/2021 - 05/2023

South Korean Military - Siheung, Gyeonggi Province, South Korea

- Demonstrated discipline, reliability, and teamwork in a high-responsibility environment.
- Conducted security patrols, access control, and operational reporting.
- Operated and maintained transport vehicles for personnel, and equipment.
- Warned violators of rule infractions and escorted unauthorised people off-premises in line with company procedures.

Temporary Construction Operative, 05/2021 - 08/2021

Dongyang Manpower Agency - Ulsan, South Korea

- Worked as part of site teams to meet deadlines in physically demanding environments.
- Followed health and safety procedures and site instructions accurately.
- Demonstrated reliability, punctuality, and a strong work ethic.
